By default, the refund method is credit. The value of your credit will correspond to the amount you paid.

## Exchanges (If you are not making an exchange, please do not circle anything)

Circle one of the following two options :

1) Fastest Method: Order the size you want from the site. In this way, we can process and ship your order immediately. In the meantime, you can return your item to us. As soon as we receive it, we will fully refund your first order.

2) Slower Method: Send us your item. It may take up to 5-10 days to reach us. Once we receive it, we can ship the correct new item to you.

By signing, you have acknowledged that the above information is correct and failure to provide correct information may result in denial of refund
